## **AMBULANCE / WHEELCHAIR VAN SERVICE**

Scheduled, Non-Emergent Transportation to a medical appointment.

Scheduled / unscheduled from nursing homes or extended care facility to the hospital of **CHOICE**.  
(EXCEPT IN LIFE THREATENING SITUATIONS)

Hospital inter-facility transportation with return to original facility if necessary.

Hospital Discharge transportation to Nursing Homes, Extended Care facilities and Home.

## **OUR MISSION**

Jefferson Hills Area Ambulance's goal is to provide the highest quality pre-hospital and inter-facility medical transportation for our patients with the highest standards of patient care, patient safety and customer service. In the fast paced health care of today, quality care and compassion seem to be missing in the medical transportation field.

Jefferson Hills Area Ambulance strives to place the "dedication", "quality" and "commitment to care" back into the medical transportation.

We are committed to providing prompt, reliable, friendly and convenient service.

We place total focus on patient comfort and safety.

Jefferson Hills Area Ambulance is licensed and accredited by the PA Department of Health.

## **COMPANY HISTORY**

Jefferson Hills Area Ambulance was founded in 1976, as a Non-Profit Organization and is extremely familiar with the ambulance transportation industry. The combined business and EMS background of our staff and Board of Directors, will continue to lead Jefferson Hills Area Ambulance in serving the needs of the South Hills and its surrounding area.

## **SERVICE AREA**

We are proud to serve the residents, nursing home communities, extended care facilities, personal care facilities and hospitals in the South Hills, Mon Valley, and the Greater Pittsburgh area.

**YOUR PARTNER FOR  
SUCCESS**

24 Hours a day—7 days a week, We are ready to serve you with Emergency or Non-Emergent scheduled transportation service in Jefferson Hills, Union Township, Forward Township and West Elizabeth.

In addition to providing Emergency Services to our communities, we can provide Non-Emergent scheduled transportation of patients anytime.
