

Union Township Board of Supervisors
Codification Workshop
July 29, 2013

dan | The Board of Supervisors Workshop was called to order by Chairperson Linda Evans-Boren at 6:00 p.m. The meeting was held at the Union Township Municipal Building, 3904 Finleyville-Elrama Road, Finleyville, PA. Board Members in Attendance by roll call were Larry Spahr, Linda Evans-Boren, and Brenda Cushey ~~and Andrew Tullai~~. Also in attendance, Dennis Makel—Solicitor, Peter Grieb—Code Enforcement Officer and Harold Ivery—Building Code Official, Judy Taylor—Treasurer, Debra Nigon—Secretary. Steve Parish could not attend.

The Board reviewed Mr. Makel's notes from the last meeting.

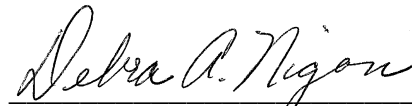

A copy of pages 53-74 which cover the Zoning Ordinance and Subdivision Ordinance from the Codification Assessment has been provided to the Planning Commission for their review. There was insufficient time at their June 27, 2013, meeting for their review and no meeting was held in July. A letter will be sent to the Planning Commission Meeting members reminding them that that they need to review just those specific questions provided by General Code at the Planning Commission meeting in August.

The Board members had no suggested revisions to the sample Curfew Ordinance and the Street Excavation Ordinance which were the remaining Ordinances to review.

The solicitor will provide the final Ordinances which had been discussed during the Codification to the Township tomorrow.

Once the Planning Commission reviews the comments which were sent, and the Secretary receives the final Ordinances from the solicitor, then the Codification Assessment will be sent back to General Code.

The Codification Workshop was adjourned at 7:30 p.m.

Debra A. Nigon, Secretary
